This and That

The carnival was a great success. Endless thanks to all the volunteers from our **U6 and U8 teams**. We could not have done it without you. Kudos to Regina Jimenez for painting faces non-stop, and to Mrs. Ladao and another volunteer (sorry, we don't know your name!) for helping with the face painting.

Special thanks goes out to the **Outback Steakhouse** for their generous donation of burgers, grilled chicken sandwiches and employee time. The sales of the meal tickets substantially increased the profit of the Carnival. We cannot thank you enough!

Our **Mr. Chocolate fundraiser** was well-supported. The Region thanks all of the families that worked hard to place orders for our fundraiser (and those which chose a buy-out to lend their support as well). We are pleased to announce that to date it is our most successful fundraiser.

You may have noticed that the Region has recently purchased a **shaved ice machine**. We are offering a variety of flavors, including a couple of sugar-free versions. Small cups are \$1.00 and large ones are \$2.00.

This and That, continued

A reminder to our coaches and referees that all games finish **ON TIME** regardless of the time of the start of the game. This is critical, as we have games starting over an hour late, and no one wants to be on the waiting end of that game. Referees will be shortening the quarters for those games not starting on time.

Coaches of U6, U8 and our VIP teams: Please remember to pass out your **Great Kid** coupons to your players. We want to be certain that all players receive one.

Finally, thanks to those players from the Purple Rhinos, Orange Crush, Blue Hurricanes and Blue Crushers who played against the VIP team
