These forms will enable the Region to form balanced teams, one of AYSO's five philosophies, next year during the team drafting process. Thanks in advance for your submissions.

## KUDOS CORNER

Congratulations to our Girls U19 team! They earned a first place position both during regular season play and at the Area D tournament on October 24, 2004. They will be playing in the Section 10 tournament next weekend. Good luck girls!

Kudos to our Boys U19 team #1 for placing third at the Area D tournament. They did a good job representing Victorville Region 665.

Special thanks to Yvonne, Gina, Gianna and Vinnie! They are the four young people you see helping out in the snack bar week in and week out. The Region very much appreciates your volunteer efforts and the hard work you accomplishing for us. Thank you, thank you, thank you!

And in case we don't say it enough, our heartfelt gratitude to every coach, referee, team mom, field worker and other volunteer in the Region.

YOU MAKE THIS REGION THE SUCCESS THAT IT IS!

## HELP WANTED!

We are still looking for volunteers for many new positions for the 2005 season. Items printed in **bold** are jobs in which we may have a volunteer in place. Additionally, if you see a need within the region and think you can help, the board is eager to listen! One suggestion made already is that the Region place containers to recycle water and sports drink bottles at the fields, and earn back the deposit money. So, we have added "Recycling Coordinator" to the list of volunteers we are searching for in 2005.
